How to Own The Goods

During the Lease

You can make an offer to acquire the goods at any time.

Just call Direct Appliance Rentals and we will let you know the nominal value of the goods at that point in time.

End of lease

We will send you a Contract Completion notice at the conclusion of the lease and this will detail our willingness to negotiate the sale of the leased goods and the nominal value of the goods. Typically, if your contract is up-to-date at the end of the lease, we estimate the sale price of the goods to be no more than \$1.00.

Warmest Regards,
the Direct Appliance Rentals Team
